Dear Author / Colleagues,

Al-Qadisiyah Journal for Engineering Sciences (QJES) is a scientific Open Access peer-reviewed journal. It has been indexed by Scopus recently, since December 2023! The Fourth Issue of Volume 16 has been completed and all papers are ready to publish on time, they are currently in the production segment. We invite you to submit your manuscript for publication in the next issue (Volume 17, the 1st issue) which should be published in March 2022.

### Focus and Scope:

- Civil Engineering ✓
- Mechanical Engineering ✓
- Chemical Engineering ✓
- Electrical Engineering ✓
- Architectural Engineering ✓

### As well as:

- Roads and Transportation Engineering
- Material Engineering
- Environmental Engineering
- Electronics and Communications Engineering

Sincerely,

**Editor-in-Chief**  
Professor **Dr.Khaled Al-Farhany**
